

The National Holiday Fund

for Sick and Disabled Children

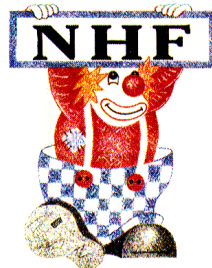

(Registered Charity Number 327714)

We take chronically or terminally ill children, temporarily or permanently physically disabled children, on a unique international adventure to Florida, USA.

In doing so parents, guardians and carers of those children have an opportunity to take much needed respite.

Each holiday is of 2 weeks duration and each child is accompanied by a carer. The group is led by an experienced group leader, a Doctor and a senior nurse. All of the groups are fully insured with the children being individually assessed.

For more details and to find out if your child meets the criteria to be taken on this holiday of a lifetime. Contact us on 01493-731235, nhfoffice@aol.com or PO Box 318, Great Yarmouth, NR29 4WT.
